| How are we using the Funding ? |
|---|
| <ul style="list-style-type: none">• Using external coaches to run daily sports clubs at lunchtimes to encourage more children to take part in physical activity.• Working with our secondary link teacher in order to provide more competitive inter-house activities and support transition.• Increased opportunities for competitive sports for KS2 children for example, participation in intra-school rounders competitions.• Ensuring a wide range of after school clubs are available to children after school linked to school sport, including rounders, tennis, tag-rugby, cricket, and football.• Provide opportunities for groups of children to take part in physical activity and healthy eating through a Change4Life club.• Purchased a progressive gymnastics resource to support staff with the delivery across the key stage.• Updated and up-graded sport and PE resources to provide children with a broader range of activities. |

Impact of Sports Grant to date

- The school has been able to offer exciting extra-curricular P.E. activities.
- Every child in the school has had a chance to take part in an intra-school competition.
- Some children have had the opportunity to attend inter-house competitions in other local schools including hockey and tag-rugby.
- CPD from resources, courses and sports coaches (Chance to Shine Cricket) in order to deliver high quality PE in schools.
- Some children are beginning to apply their new experiences in P.E. to keeping healthy.
- New and updated equipment and resources are offering an extended range of sports activities.
- A significant increase in participation in extra-curricular clubs.

Future Plans for Sports Grant in 2014/15

- An outside dance agency to deliver creative dance to all children during Arts Week. This will include CPD for staff, enabling them to teach a detailed progression of dance skills to each year group.
- Work with the Forest School's coordinator to improve our Outdoor Education curriculum. We intend to work alongside the British Orienteering Association to provide us with detailed and progressive routes around our school grounds in order to improve the children's outdoor experiences.
- Buy in appropriate equipment for Orienteering e.g. suitable maps and compasses.
- Explore the potential and education gain of an outdoor residential in year 4.
- Extended time at the local swimming pool for groups of children.
- Work with a qualified PE teacher to update our PE policy and support staff to deliver high quality physical education across the school.
